TO QUALIFY FOR FULL REBATE, A SKYCADDIE MUST MEET THE FOLLOWING REQUIREMENTS:

1. The SkyCaddie must be in FULL WORKING CONDITION. This means that the SkyCaddie has complete button functionality, receives a GPS signal, can sync with CaddieSync® and is free of excessive wear or cracks to the body.
2. The LCD screen must light up without any defects, lines or cracks. The backlight must be fully functional.
3. All SkyCaddie components must be included — battery, USB cable, and wall charger. All components must be in FULL WORKING CONDITION. The “Y” USB cable for the SG3 and SG4 must not have broken “wings”, stripped screws and or fraying edges. Defective cords are subject to disqualification. *(Note: Wall charger applies to ALL models except the SG3 and SG3.5)*
4. The membership/registration from the SkyCaddie must be transferred or deactivated prior to being sent in for rebate. Membership/registration transfers or deactivations can be done through CaddieSync under *Account > Sell/Transfer*. For additional assistance please visit www.golfstixvalueguide.com/skycaddie.

Please note: Each requirement that is not met could result in a \$5 reduction of your overall rebate.

TO QUALIFY FOR REBATE, A BUSHNELL LASER MUST MEET THE FOLLOWING REQUIREMENTS:

1. The laser rangefinder must be in FULL WORKING CONDITION.
2. The body of the device and its lenses must not have any cracks or defects.
3. A working battery must be included with the unit.

* IMPORTANT: Failure to meet these requirements will result in the device being disqualified for rebate and the device will be returned at the customer's expense. Customer must transfer existing membership or purchase new membership to their new SkyCaddie before the rebate will be mailed.

** All SkyCaddie or Bushnell laser rangefinders being sent in for rebate must have one rebate form completed for each device traded-in, a copy of the sales receipt from your new SkyCaddie purchase, and serial number from the outside of the box of the new SkyCaddie.
